

# OPAL 1000 SERIES

## TWO LINE GUESTROOM TELEPHONE DESIGN WITH THE WORLD IN MIND

- Large printable faceplate area for important dialing and contact information
- Easy-access data port for convenient laptop computer connection
- Sleek Euro design complements any room décor
- Extra-bright message waiting indicator
- Backed by the exclusive Teledex limited lifetime warranty

The Teledex Opal Series combines stylish international design with legendary Teledex reliability, in a package that helps any property put its best foot forward. The two-line Opal 1000 Series provides up to ten guest service buttons

for easy access to commonly-used hotel services. An available high-performance speakerphone and bright message-waiting indicator provide your guests with the amenities they expect.
