

OPAL 2000 SERIES

TWO LINE GUESTROOM TELEPHONE DESIGN WITH THE WORLD IN MIND

- Two-line convenience and speakerphone option for the most demanding guests
- Large printable faceplate area for important dialing and contact information
- Easy-access data port for convenient laptop computer connection
- Sleek Euro design complements any room décor
- Extra-bright message waiting indicator
- Backed by the exclusive Teledex limited lifetime warranty

The Teledex Opal Series combines stylish international design with legendary Teledex reliability, in a package that helps any property put its best foot forward. The two-line Opal 2000 Series provides up to eleven guest service buttons for easy access to commonly-used hotel services.

An available high-performance speakerphone and bright message-waiting indicator provide your guests with the amenities they expect. The patented PrimeLine/RingLine™ Select feature makes selecting the correct line as easy as picking up the handset.
